Education and Public Health Department

G.O. (Ms) No. 3618 P.H.

Dated, the 31st October 1947

READ - the following:

From the Surgeon-General, No. 75450-10-E1 dated the 12th May 1947.

From the Accountant-General, No. G.P.P.H.659 dated the 19th July 1947.

ORDER:

Dr. P. Kutumbiah, Principal and Professor of Medicine, Stanley Medical College and Physician, Stanley Hospital, Madras, was drawing a pay of Rs. 600 on 1st September 1943 in the 1938 scale of pay for Civil Surgeons in the general line, namely, Rs. 380-50/2-480-60/2-600, with a special pay of Rs. 150 per mensem for teaching admissible under G.O. No. 1200 P.H. dated 1st April 1942. He has requested that his pay may be fixed now in the 1933 scale of pay. The Government have considered the case and have decided that the pay of Dr. Kutumbiah should be fixed at Rs. 725 per mensem in the scale of Rs. 500-75/2-800 with a personal pay of Rs. 25 per mensem on 1st September 1943 and at Rs. 800 per mensem in the above scale with effect from 30th October 1944. He will not get any special pay for teaching purposes.

2. The principle on which the pay of Dr. B.H. Padamanabha. Pai was fixed in the 1933 scale of pay is explained below. Before 1st September 1943, Dr. Pai was drawing a pay of Rs. 540 in the teaching scale of Rs. 380-600 plus a teaching special pay of Rs. 150. On 1st September 1943, his pay should ordinarily have been fixed in the scale of Rs. 500-800 with reference to the rules contained in G.O. No. 3009 Public (Ser.) dated the 13th October 1944, that is, his basic pay alone should have been taken into account without taking the teaching special pay into consideration; but in G.O. No. 1651 Public Health dated 13th May 1947, an exception to these rules was made, namely, the teaching special pay of Rs. 150 drawn by him was also taken into account as "pay" and the "next below" rule was followed, the officer being permitted to have his pay fixed in the scale of Rs. 500-800 from 1st September 1943 and to draw pay in the scale either from 1st September 1943 or from any later date, whichever was more advantageous to him. According to this method, pay would have been fixed in the scale of Rs. 500-800 as follows:

From 2nd August 1943 and upto 1st September 1943 ;

Rs. 540 in the scale of 380-600 and plus Rs. 150

special pay = Rs. 690.

2nd August 1945 - Rs. 725

2nd August 1947 - Rs. 800

19.10.43 = 650 Rs. (next below Rs. 650 in the scale of Rs. 500-800 plus Rs. 40 personal pay)

If the Officer had continued in the scale of Rs. 380-600 plus special pay of Rs. 150, his pay on 2nd August 1945 would have been fixed at Rs. 600 plus Rs. 150 = Rs. 750. He was therefore allowed to continue at Rs. 750 upto 2nd August 1947 and to start drawing pay Rs. 800 in the scale of Rs. 500-800 from this date. This principle will be followed in similar cases in the Medical Department.
